

**2005**

Alowyn Bienert wanted to let everyone know that her dear husband of 28 years, Bill, age 88 passed away on July 9th. Bill, who laid one of the first bricks at the Broening Highway plant when it was being built, retired from GM in 1975 as a General Foreman after a 40 year career.

Bill was buried in Baltimore, where he was originally from and where much of his family still lives. He is survived by Alowyn, three sons, Bill Jr. and family from Joppa, Maryland; Jim and family from Delaware; Jeffrey Osborn and family from Lancaster, Pennsylvania; and a daughter, Margaret Ann Schabdach from Katy, Texas. The families also include ten grandchildren and five great-grandchildren.

All who knew him will miss Bill, especially his wonderful smile and sense of humor.

The American Heart Association is the family's charity of choice.
