Program Notes

Paul Indelicato will be our entertainer at the December luncheon.

Paul has experience in production shows in Las Vegas, where he lived and worked from 1980 through 1999. After many successful years as a singer, musician and recording artist, he began writing his own shows. In 1984, Paul went to work for the Westward Ho Casino in the capacities of casino host, entertainment director and producer of the musical reviews that were presented to Westward Ho's clients and the general public. Paul retired from Las Vegas and now lives in eastern Tennessee.

Paul appears in Hendersonville monthly at Lake Point Landing on the second Thursday of each month in a 7pm concert. Guests are welcome! If you are planning to attend one of Paul's concerts please check the activities calendar first to confirm that he will be there. The Lake Point Landing calendar can be viewed at :

From The Board

Due to low attendance in 2016, the 2017 year had only the December meeting on the schedule.

For 2018, there will be two meetings. The first will be in either May or June with the final selection to be made by polling the attendees at the December luncheon. The 2nd luncheon will be in December. (see proposed schedule on this page)

In addition, the board has decided to move the luncheons to the Dixie Dinner on US 64 in Laurel Park. This will result in a much lower luncheon cost of about \$10 per person.

If there are more than 20 attendees, we will use the buffet for that day. With a count of less than 20, we can order from the menu or use the buffet.

Each person will be responsible to pay their own check plus a gratuity.

In this simple and informal format, we do not plan to have any entertainment programs and for 2018 the dues will be reduced to \$5.00.

We have included a pre-addressed and stamped return envelope. Please use it to sign up for our Dec. 7th luncheon at HCC and to renew your membership for 2018.

Thanks,
Alumni Board
